Everything beneath the sea

# Find the animal from Safari

<https://quizizz.com/join?gc=922329>

There are the following tasks you can give based on the picture(s):

**CAPTIONS or SPEECH BALLOONS:** Let students write what some animals might say: "I am a funny llama."

**CATEGORIES:** Use this photo and propose different categories or let students propose their own and sort out all animals.

**COUNTING:** Let students count different animals: omnivores or carnivores, wild or domestic, big and small, dangerous and amicable.

**MEMORY GAME:** Ask students to look at the picture for 1 minute and then ask which animals they can remember from the picture. Arrange a team game for more fun!

**PHYSICAL DESCRIPTION:** Choose your favorite animal and describe it.

**PICTURE DICTATION:** Students describe the picture to their partners and they either write words, sentences or draw an animal.

**Q & A:** Let students write questions they have based on the picture they see. Try to answer to those questions together.

**SIMILARITIES:** Find animals, which have similar traits, colors, characteristics.

**VOCABULARY:** Ask students simple yes or no questions. Can you see a bear? Is an elephant big and gray?

**PREPOSITIONS:** Practice some prepositions: on, in, behind, in front of to say where animals are.

**A fish tank to  
search for  
creatures under  
the water**

Draw your favorite animals here!

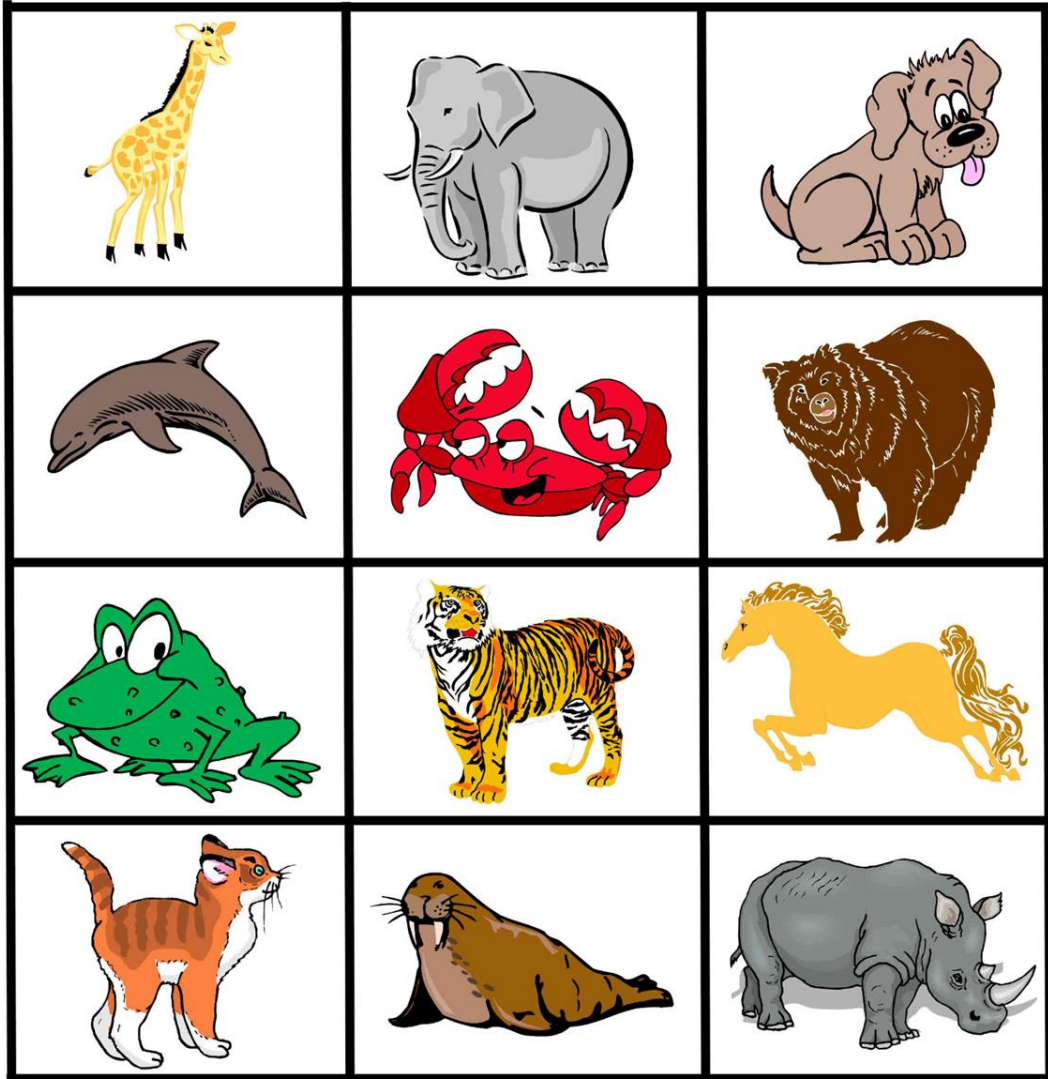

## Shark: Flashcard Game

Print out any animal flashcards and put them on the table or the floor. Make some of them with a shark printed on the other side. A student picks up a card and names an animal, turns the card and if a shark is there, he or she turns into a shark and needs to catch another student to name another flashcard.

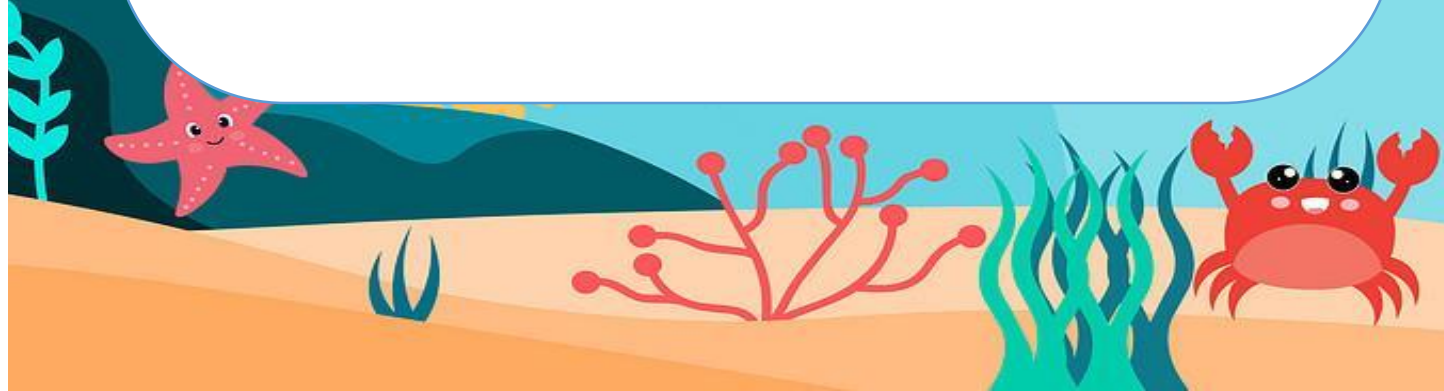

# Animal Charades

[www.layers-of-learning](http://www.layers-of-learning)

Divide the class into two teams. One student from each team comes to the front of the classroom. The teacher whispers a word/sentence or shows a flashcard to the two students and they act it out. The first team to say the correct word gets a point. For example: cat, dog, sheep...
