

Improving pronunciation by listening to songs

When you learn a new language, there are lots of unusual sounds your mouth isn't used to making. Singing helps our mouths to form the right shapes and make these sounds loudly and clearly.

**Singing also helps us learn how stronger
and weaker sounds are pronounced
differently in English.**

Listening english songs can improve the quality of speaking and then of course it improves the pronunciation too. Accordingly it increases the motivation to learn English because students sound more naturally if they pronounce the words correctly.

So, if you are ready, let me introduce you several steps how you can improve your pronunciation by listening to songs.

Балжан

Step 1. Print out the lyrics of one of the songs which our team has prepared for you or the lyrics of your favourite song

Step 2. Underline some of the new words for you. Guess the number of syllables in each underlined word and circle the stressed syllable.

Step 3. Go to Padlet board.

(the link is given below)

[https://padlet.com/balzhanjob/p](https://padlet.com/balzhanjob/pronunciation-sr9y9dwpb907ak6a)

ronunciation-

sr9y9dwpb907ak6a

Click on the song you want, for example let's take "Perfect" by Ed Sheeran

So, you get to the website where you can click on each word, then listen and repeat these words, and then check how many you got right.

Step 5. Now you know how to pronounce all unfamiliar for you words. Look up the transcription of these words and write them above each word.

Step 5. Let's sing the song together.

I FOUND A LOVE FOR ME
DARLING, JUST DIVE RIGHT IN AND FOLLOW MY LEAD
WELL, I FOUND A GIRL, BEAUTIFUL AND SWEET
OH, I NEVER KNEW YOU WERE
THE SOMEONE WAITING FOR ME
'CAUSE WE WERE JUST KIDS WHEN WE FELL IN LOVE
NOT KNOWING WHAT IT WAS
I WILL NOT GIVE YOU UP THIS TIME
BUT DARLING, JUST KISS ME SLOW
YOUR HEART IS ALL I OWN
AND IN YOUR EYES, YOU'RE HOLDING MINE

For a more difficult challenge, clap along with just the strongly pronounced syllables

Good bye!!!
