

Improving listening through songs

Any chance to hear English is helpful.

Even if it's just putting on background music during mealtimes, playtimes or when you're travelling. But to really improve your English, you will need to listen carefully.

We can learn language through various media, such as song or music. Learning English through songs can increase your enthusiasm for learning English better.

In addition, learning English from songs and is very simple and practical because we can access the songs via our smartphone which we can do anywhere.

That is because learning English through songs is very interesting and fun, the rhythm contained in a song can help to remember words better, and also it increases our vocabulary.

To practice listening let's do following exercises.

Step 1.

Choose a song.

Let's take

"Counting stars"

by One republic

**Step 2. Listen to the song carefully,
are the words in bold right or wrong?
Put a plus (+) or a minus (-).**

Counting stars - СЧИТАЯ ЗВЕЗДЫ

Lately I been, I been having sleep
Dreaming about the things that we could be
But mum, I've been, I've been praying hard
Said, "No more counting money,
we'll be counting stars
Yeah, we'll be counting stars

I see this life, like a swinging vine
Swing my head across the line
And in my hand is flashing signs
Seek it out and ye shall find
Old, but I'm not that short
Young, but I'm not that bold
And I don't think the world is sold
On just doing what we're said
I like something so right
Doing the wrong thing
