(GASPS) (SIGHS) Whoa!

Not yet, Olaf.

Hello!

Surprise!

(GASPS) (CHUCKLES) Olaf! Not yet!

Olaf: Sorry, the suspense is tearing me apart. Thank you!

(CHUCKLES)

ELSA: The first of many to come.

Anna: Elsa, look!

*(singing)* Soon the ballroom will echo With sounds of cheer As we  
ring in the season this year We'll be hosting and toasting The  
whole night through As we ring in the season with you It's already  
worth the wait

OLAF: Hey! It's Kristoff and Sven! (GASPS) And the Jule bell!

*(singing)* And it's almost time to ring the bell It's finally here  
and it's happening fast We'll make up for all We have missed in the  
past At last

Anna: Okay, now!

Olaf:(CHUCKLES) Surprise! (GASPS)

Elsa: Oh, Mr. and Mrs. Olsen? You're welcome to join us in the  
castle if you'd like.

Mr. and Mrs. Olsen : ~~{Thank you, Your Majesty. But Olga and I  
should be getting home to knit socks for our grandchildren.}~~ It's  
our tradition. (LAUGHS) Yes. And we wouldn't want to intrude on  
your family traditions. (SIGHS)

Kristoff: Hey, I say it's their loss. Who needs a big party anyway?

Anna: Kristoff?

Kristoff: ... it starts with a gathering song, "The Ballad of  
Flemmingrad."

Olaf:I love ballads!

Kristoff: .. To a troll so renowned  
In remembrance of the friend we had  
A jolly old soul we called..

We shape his likeness Bless his soul (SHRIEKS) Whoa...

Olaf: You're a princess. You don't have to settle.

Kristoff: Okay. Not so much a royal activity. I get it.

Anna: We're good.

Elsa: Big breakfast.

(CHUCKLES)

(OLAF EXCLAIMS) (CHUCKLES) I can't wait!

Anna: Do we have any traditions, Elsa? Do you remember?

Elsa: It was long ago They would ring the bell I remember the way that I felt back then We would ring in the season

ELSA: I'm sorry, Ann. It's my fault we don't have a family tradition.

Anna: Wait, Elsa...(SIGHS)

(OLAF WHIMPER) (GASPS)

Olaf: Sven! Anna and Elsa don't have a family tradition. (WHIMPERS)

~~We'll go and find the best tradition Anna and Elsa have ever seen...~~ and bring it back to the castle! Are you with me? Ow!

House number one. Wow, festive.

~~We're going door to door looking for family traditions.~~

Tell us yours, and we'll decide if it's special enough.

A woman: Oh! We make candy canes together. Ooh!

*(Singing)*

Love and joy and peace on earth

And tidings of good cheer Season's greetings here I'm wondering what your family does At that time of year

Well, we hang up boughs of evergreen On every single doorway

Go from door to door to door Wassailing with our choir!

Hang up all your giant socks Above an open fire That sounds safe.

Olaf: ~~Thanks for~~ sharing what you do

At that time of year

Happy solstice Fancy chandelier

I'm looking for tradition stuff For that time of year

Don't forget the jammies That I knitted for my kittens

Buy each other presents And then hide them very nimbly W

ait up for a chubby man To shimmy down your chimney

And thanks for sharing what you do At that time of year

Thank you.

You cut down a tree. I love it!

I'll fill my sleigh here With the help of my steed It'll be the best..

Oh, happy, merry, Mele Kaliki...

At that time of year (MEWS)

And what does your family do at that time of year? (CHUCKLES)

Oh! magic snowman?

Oh, yeah!

Nothin' like taking your coals off once in a while.

You know what I mean?

~~My troubles are just melting away. In retrospect,~~

the holiday sweats are for those not made of snow. (SPLUTTERS)

Thank you, Mr. Wandering Oaken.

OLAF: Dashing through the snow With traditions in our sleigh..

Whew! Crisis averted. (WHISTLING)

Oh, look, another reindeer going the opposite direction.

Hey! The fire's out.

(KNOCKING ON DOOR)

Elsa: Anna?

Ann, what are you wearing?

Anna: My old Viking helmet... and this was my sorceress cloak.

~~I found them in my old trunk. What's in yours?~~

Elsa: Oh, mostly gloves.

Anna: Right. Rows and rows of satin gloves. ~~Who's this little guy?~~

Elsa: Oh! Sir Jorgenbjorgen! He was a really good listener. ~~Anna,~~

~~how are we going to find any traditions up here?~~

Unless...

What's that? Look inside. (GASPS)

OLAF: OK, Sven, I'm not gonna sugarcoat it. This is a bit of a setback. Ooh!

Hey, the fruitcake! These things are indestructible!

I'll just take this seemingly harmless shortcut here...

Ah! I'm just gonna go now! (OLAF SCREAMING) Hey!

Kristoff: Oh, Sven!

The Flemmy stew is ready! Anna and Elsa are gonna love this..

Whoa, what are you...

Oh! Of course!

"Needs more carrots!"

Uh...

Oh, no!

Anna: Olaf's lost in the forest

Elsa: And being chased by hungry wolves?

Olaf: The fate of the world depends on it! (SCREAMS) (SIGHS AND GASPS) Yes! Yes, I did it! A tradition is saved!

(HAWK SHRIEKS)

Well, I guess hawks need traditions too.

(SIGHS)

(SNIFFLES)

I never meant to let them down At that time of year (SIGHS) Maybe I should just stay lost.

(WHIMPERS) (WIND HOWLING) (INAUDIBLE)

Elsa: Any sign of him?

Anna: No.

(SIGHS)

Olaf?

Olaf?

Olaf? Where are you?

(ANNA GASPS) Oh.

Anna: Hmm. I wonder where he went.

OLAF: .. probably went on a mission to find ~~traditions~~ but then they caught fire again...

And then a hawk took them.

~~Olaf: I'm sorry.~~

~~But you still don't have a tradition.~~

Anna: But we do, Olaf.

Look.

Olaf: (GASPS) Wait...

Anna:

When we first made you.

"Hi, I'm Olaf."

You were the one

who brought us together...

ANNA: (KNOCK ON DOOR) I made Elsa a gift.

Elsa: You are our tradition.

Olaf: Me?

Anna: Surprise!

Elsa: It's something I would never trade!

It's the family that we've made

And when we're together

~~I wished All around~~ the Christmas tree There'll be dreams coming true

I'd go almost any place If it's any place you are

When we're together  
We'll be safe and warm Safe and warm  
'Cause when we're together That's my favorite place to be  
'Cause when we're together  
Then the season's bright  
'Cause when we're together .. together ... It's my favorite..  
Elsa: Well, I think Arendelle  
has a new tradition.  
Thank you, Olaf.  
(HAWK SHRIEKS)
